So sad, so sad, Sometimes she feels so sad, Alone in her apartment she'd dwell,

Another time, another place The words would only rhyme, we'd be in outer space It'd be another song, we'd sing another way You wanna prove me wrong? Come back another day Another day. ### Another Day Lyrics

Another night has gone, life goes on, another dawn is breaking. Turn and face the sun, one by one, the world outside is waking. Morning light has driven away all the shadows that hide your way. And night has given away to the promise of another day. Another day, another chance that we may finally find our way.

There's another meaningless day And at the end I repeat this again, yeah. Endless fights Endless sighs And drawn out yawns My nerves are on edge, my words are knives I'm sick of it all.
