That's why the Fellows of the Design Trust for Public Space, the landscape architects and specialists of the Parks Department as well as the experienced professionals of Parks' operations division worked together to prepare this manual: "High Performance Landscape Guidelines: 21st Century Parks for NYC".

### **High Performance Landscape Guidelines : NYC Parks**

Landscape architecture has strong roots in the U.S. The actual term landscape architecture became common after 1863 when Frederick Law Olmsted and Calvert Vaux designed New York's Central Park. Today, landscape architects deal with the increasingly complex relationships between the built and natural environments.
