Larry Williams Reviews - Legit or Scam?

Thanks for making it clear on what you are looking for. No, I have not taken his course. I am certainly pessimistic on what he can teach to make me a better trader. Also, be advised of this guy's background, of course take all this with a grain of salt. I understand your pessimism but I fail to comprehend what you are trying to convey. I'm just asking if his introductory course is a repeat of ...

I recommend Larry Connors's "High Probability ETF Trading". Although this book is written with ETFs in mind for the systems, the RSI and 200 period SMA principles can be applied to other time frames. I have found it particularly effective to determine whether or not an index is overbought/oversold using daily time frames as discussed by Connors, and use this to determine my intraday trading ...
