Nine Steps To Success An

BSI’s award-winning framework for strategic planning and management, Nine Steps to Success™, is a disciplined,

practical, and tested approach to developing a strategic planning and management system based on the balanced scorecard. It gives organizations a way to ‘connect the dots’ between the various components of strategic planning, budgeting, operations and management; meaning there will be a visible connection

between day-to-day operations, the measurements being used to track ...

Nine Steps to Success - Balanced Scorecard Institute

This review does not question the author's experience or expertise, it solely refers to the contents of this specific book. This book gives little to no

value for reader as the 9 steps for success turn out to be key phrases you'll find anywhere on the web when searching for ISMS or ISO27001, e.g. get top management commitment, define strategic and operational levels, raise awareness, etc.
