Shine Not Burn was exactly what I needed right now. It was light-hearted, sexy and a heck of a lot of fun. There is still plenty of angst as Andie and Mack grow closer to each other, but there was also never a moment that I didn't understand the feelings they were each having. Meaning, I never felt like throwing my Kindle across the room, which ...

Mackenzie Fire is book two in the Shine Not Burn series by Elle Casey. I fell in love with the first book in this series and I waited way too long to read this second book. This book is one hilarious situation after another. Being inside Candace's head is a scary place to be, but you can't help to fall in love with her.

Review: Holy hot cowboys, I love this book! I laughed A LOT, Mack is sooo sexy, Andie is a hysterical drunk, the chemistry between the two of them is HOT and the story reads as though you are watching a movie. I can't believe I even thought for a second that I didn't want to read Shine Not Burn.

### **BOOK REVIEW - Shine Not Burn (Shine Not Burn #1) by Elle ...**

When I read book one, Shine, Not Burn, the story of Andie and Mack in 2014, I was not so impressed. There were some funny parts, but Ms. Casey was all over the place with her story. In this book, the laughter is better, the scenes are tighter, but there are still editorial gaffes that jar me.
