The Anglo-Saxon World by Nicholas J. Higham

The Angles, Saxons and Jutes migrated from what is now southern Denmark and northern Germany to what is now England in the sixth century A.D. There, they intermarried and mixed with the existing Romano-British to form the Anglo-Saxon culture, which dominated the land until the Norman conquest in 1066. There were five phases of the culture:

Trees and Timber in the Anglo-Saxon World - Oxford Scholarship

Historically, the Anglo-Saxon period denotes the period in Britain between about 450 and 1066, after their initial settlement and up until the Norman Conquest. The early Anglo-Saxon period includes the creation of an English nation, with many of the aspects that survive today, including regional government of shires and hundreds.

The Anglosphere is a group of English-speaking nations that share common cultural and historical ties to the United Kingdom,

File Type PDF The Anglo Saxon World

and which today maintain close political, diplomatic and military cooperation. While the nations included in different sources vary, the Anglosphere is usually not considered to include all countries where English is an official language, so it is not synonymous with anglophone, though the nations that are commonly included were all once part of the British Empire. The def
