OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site.

The Ravens Gift Don Rearden

"In The Raven's Gift, Don Rearden has created a kind of allegory for a people and place at risk, a generous and honest portrait of Yup'ik communities. His Alaska is one you won't yet have seen." His Alaska is one you won't yet have seen."

The first one describes the excitement and adventure of be. "The Raven's Gift" by Don Rearder. The back cover synopsis didn't do this book justice, it gave few clues to how dark, powerful or frightening this book really is. This novel follows one character, John, but at three different stages of his life.

Don Rearden | The Author's Officially Unofficial Website

The Raven's Gift is Don Rearden's debut novel. In it he shares stories he learned from elder residents as he grew up on the tundra of Southwestern Alaska. He offers The Raven's Gift as a cautionary tale based on his contention that this knowledge is critical to the survival of tradition and to our own personal
