Uncanny Valley, a Bizarre Lake Wobegon, November 4, 2016 Verified Purchase(What's this?) This review is from: The Uncanny Valley: Tales from a Lost Town (The Uncanny Chronicles Book 1) (Kindle Edition) This volume consists of short stories about an unusual small Pennsylvania town, Uncanny Valley, and its residents. Some of the residents are also unusual, even bizarre. others seem to be just typical small town people who take everything, and I do mean everything, in stride.

The Uncanny Valley is where robot designers dread their robots will end up. This is something that robot engineers may have only figured out and formalised in a scientific hypothesis in the 1970s, but Western authors have had an inkling that this may have been the case for at least two hundred years, since Mary Shelley (1797-1851) published her novella about Frankenstein in 1818.
